Power and Terror

Conflict, Hegemony and the Rule of Force

Noam Chomsky

A timely reminder of why US foreign policy matters

The ten years of US foreign policy since 9/11 have been characterised by war, torture and rendition. In *Power and Terror*, Noam Chomsky places these developments in the context of America's long history of aggression and imperialism.

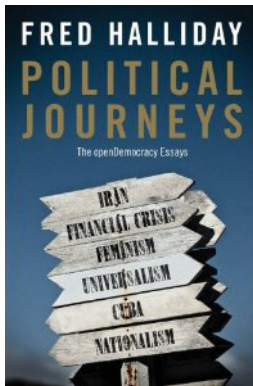

Including talks, question and answer sessions and unpublished essays, this collection offers the perfect introduction to Chomsky for those unfamiliar with his work, as well as a handy reference guide for seasoned activists.

Political Journeys

The openDemocracy Essays

Fred Halliday

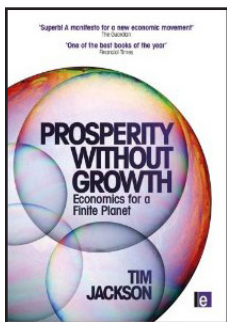

'Fred shaped the fields in which he worked with powerful insight, clarity of writing and a passionate commitment to his subjects' - *The Times*

Fred Halliday always combined the broad sweep of modern history, its currents and ideas with a profound knowledge of modern revolutions, the Middle East and national movements. This collection of columns written for openDemocracy between 2004 and 2009 is proof of a subtle worldview that continues to generate pertinent questions.

ISBN: 9780863564611 pbk

The Vampire Trilogy

David Pinner

ISBN: 9781849430883 pbk
96pp £14.99
March 2011

Get your teeth into these plays...

The Vampire Trilogy offers a unique slant on the occult.

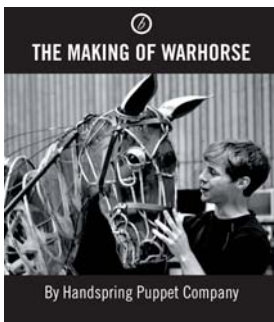

Fanghorn is a dark and surreal comedy poking fun at the Theatre of Cruelty.

Edred the Vampire is a tale of a 1000-year old bisexual vampire, who slept with Shakespeare but never bit him. Breaking all of Bram Stoker's vampire laws, he lives in a church and has a taste for garlic and crucifixes.

Lucifer's Fair is the family Halloween musical about a fair run by the Devil to entrap unwary children. Lead vampire Fangs is a bover boy by day, and an incompetent vampire by night.

The Making of War Horse

Basil Jones

ISBN: 9781849430593 pbk
150pp £15.00
September 2011

Stunning tribute to hit Broadway and West End Musical

A real delight for fans of the show, as well as puppetry students and theatre practitioners War Horse has been an international stage phenomenon. Since its first appearance on stage in 2007, it has been seen by thousands of people and is currently being produced as a Hollywood film, directed by Steven Spielberg.

A wonderful peek behind the scenes, we witness how this beautiful piece was put together, how the puppets were designed and constructed, and how the puppeteers were trained to use these complex mechanical animals.

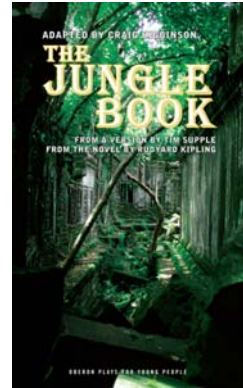

The Jungle Book

Rudyard Kipling & Craig Higginson

A marvellous retelling of a much-loved classic

Based on a version by Tim Supple, this adaptation from critically acclaimed South African playwright Craig Higginson was first staged at Johannesburg's Market Theatre in 2008.

This new adaptation is a piece of dynamic storytelling which, like the original stories, has allegorical resonances, this time with present-day South Africa. It offers a real generosity of spirit and a dose of good medicine in these tough times.

How We Treat the Sick
Neglect and Abuse in Our Health Services
Michael Mandelstam

This book concerns neglect and abuse in our health care system. It considers this moral, political, professional and legal failure to protect the most vulnerable of patients from the most appalling of care practices and points to the main obstacles to a solution, and change be accomplished.

What Makes a Good Nurse
Why the Virtues are Important for Nurses
Derek Sellman

In recent years, the human values at the heart of the nursing profession seem to have become sidelined by an increased focus on managerialist approaches to health care provision. Derek Sellman sets out the case for re-establishing the primacy of the virtues that underpin the practice of nursing.

Resolving Conflicts at Work
A Guide to Negotiation and Joint Problem-Solving
Steven Hodder

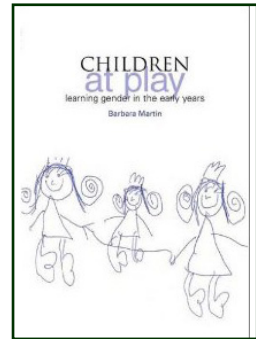

A practical 'how to' book for managers and employee representatives. The book identifies a range of skills and techniques and uses 16 short case studies to illustrate the points made based on the author's 30 year experience of employment relations.

Children at Play

Learning Gender in the Early Years

Barbara Martin

This captivating book illuminates our understanding of how young children develop gender identities. It casts new light on how 3 newcomers in early years classes learn rules for gendered behaviour from older children, in their imaginative and socio-dramatic play, and outdoors in the playground. Essential reading for all preschool educators who are interested in developing children's self-esteem, achievement, positive identities and relationships through play.

Changing Life Chances

Practical Projects and Endeavours in Schools

Robin Richardson

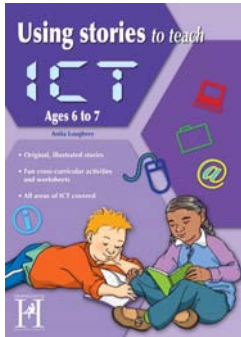

This book is a follow-up to the best-selling Trentham handbooks by Robin Richardson: *Here, There and Everywhere* (2005) and *Holding Together* (2009). It has the same engaging layout, with much use of case-studies, stories and pithy quotations. Most though not all of the practical examples are drawn from one local authority, Derbyshire, but are of wide relevance and interest, both nationally and internationally.
